Congestion

Instructions for Use

Shake the bottle gently and then
remove the protective dust cap.

Hold the bottle as shown with your
forefinger and middle finger or either
side of the nozzle and your thumb
underneath the bottle.

If using for the first time or if you have
not use it for a week or more, test the
spray with the nozzle pointing away
from you, press down several times
as shown until a fine mist comes out
of the nozzle.

Wipe the nozzle with a clean handker-
chief/tissue and close with protective
dust cap.
